**JOIN US FOR AN
EDUCATIONAL TOUR
USING RAINFOREST CAFE
AS A STUNNING
VISUAL CLASSROOM.**

Not only will you learn about the important role of the world's rainforests, but each person taking part in the tour actively saves 80m² of rainforest through our land purchase scheme in conjunction with the World Land Trust, a charity committed to the conservation of rainforests.

One of our trained Safari Guides will take you on a tour around the venue bringing to life the subject of rainforests. Stopping at key places, they will present interesting facts and stories about the environment, rainforests and the various animals encountered on the tour, as well as discuss the importance of conservation.

In addition to having the chance to interact with the guide, children also receive activity sheets and educational quizzes suited to their age group.
